Background Information

Synatel Instrumentation Limited are based within Cannock, Shropshire. We are looking to grow the business by investing in a new CNC Lathe to assist with our in-house manufacturing processes. The purchase of this new Lathe is part of a wider project and is part funded by European Regional Development Fund.

REQUIREMENTS/SPECIFICATION

Statement of Requirements

We require a CNC Turning Centre with a minimum bar diameter capability of 65mm, Sub spindle, Y Axis, 24 tool position turret. Multi Feed Bar Feeder, Swarf Conveyor (stringy, mixed, small, chipped and fine swarf). A Siemens 828 Control is preferred. Your quote is to include a Tool package. Delivery to our premises in Cannock should be included.

The equipment would need to be delivered and installed by no later than 31st May 2022.

The quote provided should include installation and on-site familiarisation for staff once installed.

A small proportion of the cost is being supported by European Regional Development Funding.

What to Include in your Quotation Submission:

- Your company details as set out on page 2.
- Your price for supply and delivery of the CNC Lathe plus ancillary equipment as described to Synatel Instrumentation Limited, Walsall Road, Norton Canes, Cannock, WS11 9TB
- Your price (if not included) for a guarantee period up to 2 years.
- Confirmation that you can supply and deliver the machine by 31st May 2022. Please state the estimated time to supply and deliver the machine from confirmation of the order.
- The information outlined in the submission table checklist below confirming the Equipment's capabilities to deliver the required specification detailed in the statement of requirements. You can include product brochures.

Submission Table Checklist

Failure to meet the check list may render your bid as non-compliant.

We recommend you enter all the information requested or confirm compliance within your submitted specification. Please provide product brochures or layout diagrams to evidence you can meet the requirements below.

Item		Yes	No	Comments
